This is an exciting opportunity for a recent graduate who wishes to gain experience working in a successful award winning co-educational Independent School.

Graduate Assistants play a full part in the academic timetable and co-curricular life of the School. Their work is varied and that variety is, to some extent, determined by the personality, enthusiasm and skills of the individual.

The post has become a successful springboard for those considering teaching as a career and over a number of years, graduate assistants have gone on to promising careers in major schools round the country.

The School encourages its Graduate Assistants to extend their experience by attending relevant training courses, at the School's expense.
